Welcome to Forest Manor

Forest Manor is located just 5 minutes walk from the centre of Sutton-in-Ashfield and is easily accessible by public transport.

The Home has 34 single bedrooms and 3 shared bedrooms. All rooms are tastefully decorated and fully furnished, however we do encourage residents to bring in their own belongings such as pictures and ornaments to personalize their rooms.

There are two spacious lounges and a large dining area, where residents can relax, read, watch tv or socialize and take part in group activities if they choose to. Additionally, there is a large secured garden and patio which is popular in the summer months.

“ We have found the staff to be very very caring. This means that when we leave we know that my aunty is in the best hands possible.”

“ This is a fantastic Nursing Home. The staff are fab, the building is lovely and clean and has a wonderful garden area.”

“ During the six weeks my mother has been at Forest Manor I have found the care she has received to be excellent. Both staff and management have been friendly and caring. Nothing is too much trouble for them. The Home was recommended to us and will also be recommended by us to others.”

We are proud to be one of the most recommended Care Homes in the country!
